PROFESSIONAL SUMMARY

Creative and detail-oriented Graphic Designer with a **6-month Diploma in Graphic Design** and a **3-month internship at Zeepty**, a fast-growing e-commerce startup. Proven ability to create **scroll-stopping social media carousels, creatives, and campaign assets** that drive engagement and brand awareness. Proficient in **Adobe Photoshop, Illustrator, Figma, and Canva** with strong understanding of **typography, colour theory, visual storytelling, and brand consistency**. Passionate about creating content-driven visuals that convert and build brand identity across social platforms.

INTERNSHIP EXPERIENCE

Graphic Design Intern | Zeepty (E-commerce Startup, Remote)

December 2025 – March 2026

- Designed **scroll-stopping social media carousels, creatives, and festive campaign banners** for Holi, Valentine's Week, and Birthday campaigns, owning the full creative from concept to final asset.
- Conceptualized and executed **brand-specific content** for 3 partner brand collaborations including Bandar Baant, Colors Queen, and Dori Store, maintaining **visual consistency and brand identity** across all assets.
- Delivered **category-wise social media assets** across 4 product categories ethnic wear, beauty, footwear, and streetwear, adapting **design mood, tone, and messaging per target audience**.
- Translated marketing briefs into **compelling, content-driven visuals**, iterated on feedback, and consistently delivered **high-quality creatives within tight deadlines** in a fast-paced startup environment.
- Maintained **brand guidelines** and ensured visual consistency across all digital marketing assets throughout the internship.

PROJECTS

Personal Portfolio Website (Live)

HTML5 • CSS3 • JavaScript • Figma • Git

- Designed and developed a **fully responsive portfolio website** showcasing graphic design and frontend work. UI designed in Figma and hand-coded in HTML and CSS.
- Deployed live on **GitHub Pages** with full responsiveness across desktop, tablet, and mobile screens.

MindJournal: Wellness Insights

HTML5 • CSS3 • JavaScript • Figma

- Designed complete **UI screens, visual layouts, and brand identity** in Figma for a wellness journaling web application targeting a young adult audience.
